Sir:

Statement of Corrected Inventorship under 37 C.F.R. § 1.48(f)(1)

The inventorship for the above-referenced application has been amended by deleting previously named inventors Kevin A. Jarrell and Glenn F. Short, III and by adding Sean Quinlan as an inventor. Declarations executed by the correctly named inventors Temple Smith, Prashanth Vishwanath and Sean Quinlan have been filed. Since the correct inventors were not named in the original non-provisional application and the current declarations represent the first submissions of executed declarations by the corrected inventors, the current declarations act to correct the earlier-identified inventorship under 37 C.F.R. § 1.48(f)(1).

Please charge any fees associated with this filing, or apply any credits, to our Deposit Account No. 03-1721.

Respectfully Submitted,

Brenda Herschbach Jarrell, Ph.D.
